

# Culminating Project Proposal Guidelines

This is a word-processed application submitted to the Culminating Project team at the time of your scheduled interview. It addresses the following:

- Intended Project Title
- Tangible Product(s)
- Process Evidence
- Challenge/Learning Stretch/Current Knowledge in This Area
- Breakdown of Intended Hours
- Breakdown of Intended Cost and Payment
- Mentor's Name, Phone, and Qualifications
- Parent and Student Signature

Please make 4 copies (all need to be signed by student and parent). These must be formal, typed applications.

You must arrive at scheduled appointment time. These times will be assigned to you and posted in CWP and English classes a week prior to interview.

Regular Boards – November 3<sup>rd</sup> (All Day and Evening)

You will be expected to explain your application in detail and answer any questions posed by the panel.

\* Remember if doing a shadowing project, only 5 hours of the 15 required can be shadowing. The other 10 hours must be hands-on application of that knowledge.
