

BITE2GO, THROUGH PARTNERSHIP WITH RURAL RESOURCES, COLSD, AT THE CORE, AND 2ND HARVEST

Bite2Go addresses the weekend meal gap in a discreet way by delivering food directly to a student at school every Friday, providing the nutrition kids need over the weekend so they can come to school ready to learn on Monday.

Staff and Faculty Referral Form

Referring staff/faculty must fill out and sign the form.
Please return to us as soon as possible.

Name of Student: _____

School and Grade: _____

Name of Referring Staff/Faculty: _____

Staff/Faculty Contact Info: _____

- I **have** spoken directly with the student about the Bite2Go program and they would like to participate
- If the student is aged 12 or younger, I **have** obtained parent/guardian permission for the student to participate in Bite2Go
- I **have not** spoken directly with the student or their parent/guardian about the Bite2Go program and I would like someone from Bite2Go to reach out to me for further discussion
- I would feel comfortable being the "trusted teacher" for this student and would agree to accept delivery of food on behalf of this student once a week
