

## First Grade Math Standards by Semester

### 1<sup>st</sup> Semester

1.OA.A.B.3 Apply properties of operation as strategies to add and subtract. (associative and commutative properties of addition)

1.OA.A.1 Use addition and subtraction within 20 to solve word problems involving situations of adding to, taking from, putting together, taking apart, and comparing within unknowns in all positions.

1.OA.C.6 Add and subtract within 20, demonstrating fluency for addition and subtraction within 10. Use strategies such as counting on; making ten; decomposing a number leading to a ten; using the relationship between addition and subtraction (fact family); and creating equivalent but easier known sums.

### 2nd Semester

1.OA.A.B.3 Apply properties of operation as strategies to add and subtract. (associative and commutative properties of addition)

1.NBT.A.1 Count to 120 starting at any number less than 120. In this range, read and write numerals and represent a number of objects with a written numeral.

1.NBT.C.4 Addition within 100, including adding a two-digit number and 10, using concrete models or drawing and strategies based on place value; subtraction; relate the strategy to a written method and explain the relationship between adding tens and tens, ones and ones; and sometimes it is necessary to
